

Hai saaz tu tera tarj main  
Tu hai dawa aur marz main  
Dildar tu khud garz main  
Hai geet tu tere lafz main  
Tu hai dua aur farz main  
Azaad tu aur karz main

Hai shama tu tareef main  
Tu chain hai takleef main  
Tujh se mila toh paa  
Liya har cheej main  
Hai khwaab tu taabeer main  
Maana tujhe taqdeer main  
Tera hua iss bheed mein  
Iss bheed mein

Hai teri meherbani  
Ki andheron se  
Hum mukar gaye  
Hai teri meherbani  
Ki bin jaane hi  
Yun sanwar gaye

Tu baarish meri savera mera  
Main tera hoon raasta  
Hai kashti teri kinara mera
