

Mehfil mehfil phool hasee ke
Tum bikharate rahete ho
Tanhaai mein ek dawasa
Dard chhupate rehate ho
Mehfil mehfil phool hasee ke

Maana ke dard ke
Dhare hain hum bhi hain
Paas kinaare hain
Sang sang behate raho
Khamoshi hamse to
Baatona raaho mein
Saath chalo bhi naa
Gham ko akele na saho
Mehfil mehfil phool hasee ke
Tum bikharate rahete ho
Mehfil mehfil phool hasee ke

Ye lamha lagata paraya hain
Iss mein hi khushiyon ka chhaya hain
Jo tum ye pal thaam lo
Barso mein khilate jo dekha thaa
Sapna sa pyaara sa apna sa
Bikharne na do khaab ko
Mehfil mehfil phool hasee ke
Tum bikharate rahete ho
Tanhaai mein ek dawasa
