

Mere mahbub mehfil me jo saream aa gaye
Turahi jhuk gayi paimano ke salam aa gaye
Aur phir mehfil me paimana jo laga jhumne
To jhumta hi jhumta chala gaya

Mehfil me paimana jo laga jhumne
To jhumta hi jhumta chala gaya
Sakhi ke gore hath laga chumne
Chumne chumne
To chumata hi chumata chala gaya
Mehfil me paimana jo laga jhumne
To jhumta hi jhumta chala gaya

Lagta hai sadgi me bhi hansa hansa
Hota hai bat bat pe yaki yaki
Lagta hai sadgi me bhi hansa hansa
Hota hai bat bat pe yaki yaki
To hum khayal humsafar to hum nashi
Mere mahbub sa koi nahi koi nahi koi nahi

Mere mahbub ko jo bhi laga dekhne
To dekhta hi dekhta chala gaya
Mere mahbub ko jo bhi laga dekhne
To dekhta hi dekhta chala gaya
Mehfil me paimana jo laga jhumne
To jhumta hi jhumta chala gaya

Niyat kya hai teri khub janti hu
Irade ko tere sanam mai pehchanti hu
Niyat kya hai teri khub janti hu
Irade ko tere sanam mai pehchanti hu
Matlab teri nazar ka janti hu
Phir bhi mai isko manti hi
Manti hu manti hu

Bato se teri dil jo laga sochne
To sochta hi sochta chala gaya
Bato se teri dil jo laga sochne
To sochta hi sochta chala gaya
Mehfil me paimana jo laga jhumne

To jhumta hi jhumta chala gaya

Wo nazar baz ka dil ada aur naz ka dil
Wo beniyaz ka dil ke har andaz ka dil
Meri umang me har dang me
Har bhang me har rang me o ho
Ghataye janti hai hawaye janti hai
Nigahe janti hai ye bahe janti hai

Aankho me shararat hai
Shararat me nazakat hai
Nazakat me adawat hai
Adawat me mohabbat hai
Ye behisab aankhe ye nimukhab aankhe
Ye purshubab aankhe ye benakab aankhe

Idhar udhar yaha waha
Mera sanam gaya jaha
Aankho me mai jo uski laga dubne
To dubta hi dubta chala gaya
Aankho me mai jo uski laga dubne
To dubta hi dubta chala gaya
Sakhi ke gore hath laga chumne
Chumne chumne
To chumata hi chumata chala gaya
Mehfil me paimana jo laga jhumne
To jhumta hi jhumta chala gaya
To jhumta hi jhumta chala gaya.
