

Mehfil se uth jaane walo
Tum logo par kya ilzaam
Tum aabad gharo ke basi
Main awara aur badnaam
Mere sathi mere sathi
Mere sathi khali jaam
Mere sathi khali jaam

Do din tum ne pyaar jataya
Do din tum se mel raha

Achha khasa waqt kata
Aur achha khasa khel raha
Ab us khel ka jikr hi kaisa
Wakt kata aur khel tamam
Mere sathi mere sathi
Mere sathi khali jaam

Tum ne dhundi sukh ki daulat
Maine pala gham ka rog
Kaise banata kaise nibhata
Yeh rishta aur yeh sanjog
Maine dil ko dil se tola
Tum ne mange pyar ke daam
Mere sathi mere sathi
Mere sathi khali jaam

Tum duniya ko behatar samajhe
Main pagal tha khar hua
Tumko apna nahi nigla tha
Khud se bhi bezar hua
Dekh liya ghar ko tamasha
Jaan liya apna anjaam
Mere sathi mere sathi
Mere sathi khali jaam.
