Ene labhna mirza khar lenda

BHARAT  
lyrics

Ghar tu bai hun tu na mud di

Fly high to the morning light  
Like free bird of the blue sky  
Let me see it all with my own eyes  
Don't cage me i won't survive

Didn't care for you gonna dance tonight  
Im sing loud and shining bright  
All the guys calls me butterfly  
Dont need advise coz it's my life

Ho jadd zehar ishq da chadhda eh  
Haddiya vich kaamba badhda eh  
Duniya nal banda lad da eh  
Tap tap ke taamba rad'da eh

Ho jadd zehar ishq da chadhda eh  
Haddiya vich kaamba badhda eh  
Duniya nal banda lad da eh  
Tap tap ke taamba rad'da eh

Tere naah te botal desi di  
Manjjeyaan te rud di  
Addiya nu mehndi laake oye  
Panjeya te turdi

Tera pair nikal gaya  
Ghar tu bai hun tu na mud di

Sir utte ful saggi da  
Lakk patla lehnga phabi da  
Dekh joban titri baggi da  
Sauda mehnga ishq di lagi da

Sir utte ful saggi da  
Lakk patla lehnga phabi da  
Dekh joban titri baggi da  
Sauda mehnga ishq di lagi da

Mai suneya mohalle mana de
