

Kahan se tu aayi kahan se tu jaai
Kahan se tu aayi kahan se tu jaai

Mehsoos kar mujhe mehsoos kar
Mehsoos kar mujhe mehsoos kar
Main aadam ki beti main habba ki beti
Mein mohan ki meera
Main krishan ki raadha
Main raanjhe ki heer hoon
Mein majhanu ki lalia
Nahi koi main jaadugar
Mehsoos kar mujhe mehsoos kar
Mehsoos kar mujhe mehsoos kar

Subah ki sondhi khusboo hoon main
Shyaam ki laali ka jaadu hoon main
Subah ki sondhi khusboo hoon main
Shyaam ki laali ka jaadu hoon main
Suraj ke kirano ki garmi hon main
Chaand si kirano si thandi hoon main
Dariya ka paani hoon chadhata jawani hoon
Saagar hoon gaagar hoon
Pyala hoon botal hoon
Dekho na yun tum dekho na yun tum
Dekho na yun ghoor kar
Mehsoos kar mujhe mehsoos kar
Mehsoos kar mujhe mehsoos kar

Dilbar ke dil mein dhadkati hoon main
Armaan ban kar machalti hoon main
Haan dilbar ke dil mein dhadkati hoon main
Armaan ban kar machalti hoon main
Masti ka pyala chadhata hoon main
Khabon khayalo ko mehka hoon main
Paayal ki chachan chachan mein
Bhawaron ki ghun ghun mein
Baaghon mein kaliyon mein
Seharo ki galiyon mein
Mehekati hoon main haan
Mehekati hoon main

Waise chamapa chameli hoon main
Mehsoos kar mujhe mehsoos kar
Mehsoos kar mujhe mehsoos kar

Main aadam ki beti main habba ki beti
Mein mohan ki meera
