

Jab asmaan girnay lagtay hain  
Aur zameen jalnay lagti hai  
Ek chhupa hua khwaab janam leta hai  
Sehraon main awaz aati hai  
Main kaun hoon tum kaun ho  
Main kaun hoon tum kaun ho

Ghamgeen hoon aur tum mazloom ho

Jab bhook nachti gaati hai  
Aur nafrat jashn manati hai  
Ek chhupa hua khwaab janam leta hai  
Sehraon main awaz aati hai  
Main kaun hoon tum kaun ho  
Main kaun hoon tum kaun ho  
Majboor hoon aur tum benaam ho

Ek chhupa hua khwaab janam leta hai  
Sehraon main awaz aati hai  
Main kaun hoon tum kaun ho  
Main kaun hoon tum kaun ho  
Ghamgeen hoon aur tum mazloom ho  
Tum kaun ho main kaun hoon  
Tum kaun ho main kaun hoon  
Ghamgeen hoon aur tum mazloom ho  
Bla bla...  
Main majboor hoon aur tum benaam ho.
