Anuvuvu badhe
Gundello gaayam needhe
Premannadhi ponge kanneerega

Marupannadhi raadhe
Manadhantu lene ledhe
Prema ika needai ventaade

O cheli kadhe maarenuga
Zindagi edhe ayyenuga
Naa cheli kale egisenuga
Sandhrame naalone pongagaa

Yeh dil hai dhekh roota hain
Yeh dil hai dhekh toota hain
O sathiya o sathiya
Ee bandham tenchesey

Yeh dil hai dhekh roota hain
Yeh dil hai dhekh toota hain
O sathiya o sathiya
Naa praanam thunchesey

Naa madhilo nee mananam
Segalai manase kaalchesthundhe
Naa edhalo nee pilupe
Kadhile aashalne koolchesthundhe

Badhe penche alalai munchhe
