Pande ere pande
Kande ninne kande njaanum
Chende omal chende akame
Enthe kandi ttenthe thonne

Enthino enteyullam pidaye
Enthino kannum kannum thiraye

Idanenjam thammilimba helode konjip paadi yenthe
Muzhuthingala vannu munninil kkunna pole azhake
Manivarnnath thumbi thullumpolente ullil vannathaare
Mazhavillinkombu mannil pookkunna chele nirave

Thaane mookam alayukayaanu ninnil njaan
Kaanaa kunju chennal pole
Irumizhiyo naruneerpoyaka yaay
