

Men At Work Song Lyrics

Zindagi mein smoke kaafi blunt and i hit that
Dillagi ke dard mein ni kaam karte sedates
Ye gaano ko nahi naam ko bas hate kare zidd hai
12 baje gaana 12:01 bole mid hain

Bina sune bina jaane
Na dimaag mein jhaanke
Jab karu drop its a feast
Ye khairaat mein khaate

I'm making songs
Par gyaan ye khairaat me paate
Likhta akela
Par songs pe sab chants mein

And i rhyme like a king
And i fight like a prince
Aur ye dekh rahe hain
Kab hoga crown fall

Eyes on the prize likhu gaau aur kamau aur
Aur aisi greatness ka kaise hoga downfall?
Tha saral jeevan bitara par inme akal thi kam
Scene pada thanda chahiye heat laara summer season

Deep ki album mein features se jaana asal reason
You were in it b!tch that is why it was tunnel vision
Farak ni padta saale ek hain ya 4 hain
Ye jaw dropping bars ko seriously lere smart a\$\$

Failed tv show ke baad failed rapper
Ke baad failed pedlar well not really a flex
Bubble se bahar niklo pehno f*cking lenses
Ye job ni tumhare liye look for other pensions

Duniya makkar jaise gaane leke aara nai
Vibe thi banara par ye baithte ni chain se
Ye poke kare aur sochte inka ke chance hain
Udta teer lere you're out of f*cking senses

Game mein karma sensei
Khelte nahi hai naam se
Taansen ni bante
Toote jabde moti g*nd se

Choo bhi nai sakte
Inki pohach ke bahar hu
Aas paas saanp hi saanp hai
Main orochimaru

Aas-paas mask naqaab hain
Aur hain gaane infectious
Bharatlyrics.com
Flow flu spitting sick
Jaise uhh beemar hoon

Aur ye chase mein lage hain
Inke face dekho
Dont call me ikka
But scene mein hoon ace dekho

Naam nahi raftaar par
Moves high paced dekho
Honey singh nahi
Par bacche bigaadu
Sarr pe lage case dekho

Naam nahi badshah
Wo fir bhi hori paani paani
Dollar sign nahi
But i too like those cute japanis

Naam divine nai
Par shehar aake dekh
Teri maa se to chhod
Tujhe baap se milata hoon

Sheesha dikhau tumhe saanp se milata hoon
Gherte ilaake main rajya failaata
Reply pe depend main inka bhagya vidhata
Inka ghar apna ghar single-handed chalata

Maana foonkte par phoonkke bas pade ni rehte
Dil bade rakhte tabhi shehar bade ni rehte
And lemme give you one advice the bade bhi kehte
Jhukte pahaad ke aage sab adiyal khade ni rehte

Abhi bas warning deta hai ladka
