

Mera dil jo mera hota  
Palakon pe pakad leti  
Honthon pe uthaa leti  
Haathon me khuda hota  
Mera dil la la la la  
Ha ha ha ha ha

Suuraj ko masal ke main  
Chandan ke tarah malati  
Sone kaa badan le kar  
Kundan ki tarah jalati  
Is gore se chehare par  
Aaina fida hota  
Mera dil la la la la  
Ha ha ha ha ha

Barsa hai kahin par to  
Aakash samundar mein  
Ik buund hai chanda ki  
Utare na samundar main  
Do haathon ke okh main ye

Gir padta to kya hota  
Haathon mein khuda hota  
Mera dil jo mera hota  
Palakon pe pakad leti  
La la la la hmm hmm  
Haathon me khuda hota  
Mera dil la la la la hmm  
Hmm ha ha ha ha ha.
