

Mera dil tere liye dhadakta hai
Ho..o..o..oo..dhadakta hai
Dekhun jo tujhe to yeh dil behakta hai
Ho..o..o..oo..behakta hai

Zara paas aa tere lab choom loon
Maein kya chahti hoon maein kaise kahoon
Zara paas aa tere lab choom loon

Maein kya chahti hoon maein kaise kahoon
Sameto na baahon mein ye gora badan
Bujhegi bhala kaise dil ki agan
Koi shola seene mein bhadakta hai
Ho..o..o..oo..bhadakta hain

Ho..naya dard hai yeh to nayi pyaas hai
Jawani ka pehla ehsaas hai
Naya dard hai yeh to nayi pyaas hai
Jawani ka pehla ehsaas hai
Mohabbat ka dil pe nasha chha gaya
Kuchh bhi ho janam maza aa gaya
Ke ab dil sambhale na sambhalta hai
Ho..o..o..oo..sambhalta hai

Mera dil tere liye dhadakta hai
Ho..o..o..oo..dhadakta hai.
