

Sulag rahi hu humdum
Aanch hai kyu hai madham
Sulgan seh na paaun

Dard main duba hai tan man
Pyaar ki uljan uljan kehna paun

Mera gham le le na le le na le le na
Meri jann aise hoooo
Aise anshu pal pal meri palako pe
Aisi hulchul meri palako pe

Mera gham le le na le
Le na le le na le le na
Meri jannnnn aisse hoooo
Aise ghee gaa gaa
Chal meri palko pe

Gham hai barsta badaal
Gham se na ghabharna
Prem gagan mai
Iska akshar ana jana
Gham hai barsta badaal
Gham se na ghabharna
Pyar mai sab seh jana

Mera gham le le na le
Le na le le na meri jann

Aisse ho aise ghee gaa
Gaa chal meri palko pe
Kaisi hulchul meri palko pe
Prem hai behta jharana
Hum dono do lehre

Apna milan to hoga
Lakh bichaye pehre

Prem hai behta jharana ghul ja
Hum dono do lehre mil ja
Pyaar main itne ghere ek duje main

Aaja mere sang ji
Le sang ji le sang ji le
Aaja mere sang ji
Le sang ji le sang ji le
Tu hi mera ab jina bhi hai tu hi
Toh jeete ji marna mera.
