

When i hold you close my baby  
And you say you love me maybe  
I get a feeling life is gonna be alright  
I wanna be with you all my life  
I wanna be with you all my life

Khamoshiyan dil ki  
Honthon pe hai chhalki  
Bharatlyrics.com  
Sun le zara ehsaas mera  
Main ho gayi teri

Main sajda karoon  
Hai khuda sa tu  
Aankhon ki dua  
Tu ho rubaroo

Mujhko baahon se baandh le  
Mit jaane de yeh faasle  
Rakh le mujhko tu saath mein sadaa

Mera ishq chala hai saath tere  
Mera ishq chala hai saath  
Tu ban gayi meri yaad  
Toh rabb ko maangu aur kya

Mera ishq chala hai saath tere  
Mera ishq chala hai saath  
Tu ban gayi meri yaad  
Toh rabb ko maangu aur kya

All i need is love  
And all we need is time  
Running to you baby  
Give me all you want  
Give me all you can  
Take me to your heart my lady

Jaane lagi hai lakeer yeh  
Mere haath se tere haath mein  
Ab to kategi yeh umar

Tere saath mein, tere saath mein

Main sajda karoon  
Kyun parda karoon  
Aankhon ki dua  
Tu ho rubaroo

Mujhko baahon se baandh le  
Mit jaane de ye faasle  
Rakh le mujhko tu saath mein sadaa

Mera ishq chala hai saath tere  
Mera ishq chala hai saath  
Tu ban gayi meri yaad  
Toh rabb ton maangu aur kya

Mera ishq chala hai saath tere  
Mera ishq chala hai saath  
Tu ban gayi meri yaad  
Toh rabb ton maangu aur kya.
