

Ho mera mukhda  
Mera mukhda gulabi chume bhawra  
Mera mukhda gulabi chume bhawra  
Sajna ko samjh na aaye to main ki kara  
Sajna ko samjh na aaye to main ki kara  
Ki kara hoy ki kara das ki kara  
Ki kara das ki kara ho ki kara

Ho tere jaisa har phool gulabi  
Hoy tere jaisa har phool gulabi  
Hoy tere jaisa har phool gulabi  
Mujhko bulaye fuslaye to main ki kara  
Ki kara das ki kara ki kara  
Mera mukhda gulabi chume bhawra

Sajna ko samjh na aaye to main ki kara  
Sajna ko samjh na aaye to main ki kara

Hay re hay hay re hay  
Dil de baithi main kaise harzaai ko  
Iske uske pichhe bhage  
Na puchhe ghar aayi ko  
Paida hote hi sabse pehle  
Aankh mari daayi ko  
Aankh mari daayi ko hay re hay  
Ram kasam wo na bakshe  
Kisi apni aur parayi ko  
Hira moti ho to mol chuka du  
Hira moti ho to mol chuka du  
Dil to kharida nahi jaye main ki kara  
Dil to kharida nahi jaye main ki kara  
Ki kara hoye ki kara ki kara  
Ki kara das ki kara ki kara

Ham hrajayi  
Arey haum harjaayi bhawre hai  
Aur tu titli deewani hai  
Ho tu bhi pyaasi hum bhi pyaase  
Kahi to pyaas bhujani hain hay re hay  
Machhli hokar hamse puchhe

Kitna gehra paani hain  
Kitna gehra paani hain hay re hay  
Arey aju baju bhid rahegi  
Jab tak husn jawani hai  
Mere hotho ki sulagti laali  
Ho mere hotho ki sulagti laali  
Mere hotho ki sulagti laali  
Galiyon mein aag lagaye  
To main ki kara  
Galiyon mein aag lagaye  
To main ki kara  
Ki kara hoye ki kara ki kara  
Ki kara das ki kara ki kara

Kitni achhi  
Kitni achhi reet hain shadi kar  
Ke saath nibahana  
Kisi ko apna kar lena kya  
Kisi ka khud ho jana  
Umar qaid ka naam hai shadi  
Baato mein mat aana  
Baato mein mat aana hay re hay  
Arey dhol gale pad jaaye  
Padta hain roz bajana  
Meri kurti ka gota bole  
Ho meri kurti ka gota bole  
Meri kurti ka gota bole  
Sine se lagaye na lagaye  
To main ki kara  
Sine se lagaye na lagaye  
To main ki kara  
Ki kara hoye ki kara ki kara  
Ki kara das ki kara ki kara  
Ki kara hoye ki kara ki kara.
