

Mera naam bada badnaam sahi
Har lab pe yaha mera naam to hai
Har lab pe yaha mera naam to hai
Mera naam bada badnaam sahi
Har lab pe yaha mera naam to hai
Har lab pe yaha mera naam to hai
Mere husn pe marti hai duniya
Mere ishq ka charcha aam to hai
Mere ishq ka charcha aam to hai
Mera naam bada badnaam sahi
Har lab pe yaha mera naam to hai

Wo sare rang baharo ke
Wo sare rang baharo ke
Khilte kahe phulo kaliyo me
Khilte kahe phulo kaliyo me
Rangraliya magar zamane ki hai
Pyar yaha meri galiyo me
Har rat hansi har subha jhmajham
Rangin meri har sham to hai
Rangin meri har sham to hai
Mera naam bada badnaam sahi
Har lab pe yaha mera naam to hai
Har lab pe yaha mera naam to hai

Din rat sulgana sanche ka
Din rat sulgana sanche ka
Dukh dard me jalna shamo sahar
Dukh dard me jalna shamo sahar
Is duniya me jina to hai
Aise bhi zahar waise bhi zahar

Phir bhi zahar pine me yaha
Chain to hai aaram to hai
Chain to hai aaram to hai
Mera naam bada badnaam sahi
Har lab pe yaha mera naam to hai.
