

Kajal ne to daag lagaya  
Payal ne iljaam kiya  
Charaahi pe chunari giri to  
Humne kaleja thaam liya  
Ghungat uthake sare aam  
Ghungat uthake sare aam  
Mujhko inhi logo ne kiya badnaam  
Ho inhi logo ne kiya badnaam  
Ye to inki nazar ka hai kaam  
Shahar mein mera naam bahot badnaam  
Ho mera naam bahot badnaam

Baali umar ne julm kiya  
Jaane kya kya soch liya  
Baali umar ne julm kiya  
Jaane kya kya soch liya  
Nathni jab nilam hui  
Shishe mein chehra na dekha gaya  
Ghungaru pahnaake mere raam  
Haye raam ghungaru pahnaake mere raam  
Mujhko inhi logo ne kiya badnaam

Jabse umar iljaam hui  
Subah hui naa shaam hui  
Jabse umar iljaam hui  
Subah hui naa shaam hui  
Inka tamasha ek ghadi  
Apni umar naakaam hui  
Ratiya jagake bina kaam  
Ratiya jagake bina kaam  
Mujhko inhi logo ne kiya badnaam

Dil ka dhadkana khub raha  
Tapak tapak kayi khun baha  
Dil ka dhadkana khub raha  
Tapak tapak kayi khun baha  
Logo ne bahot jaam bhare  
Aur nasha kayi roj kiya  
Saaki banake subahsham  
Saaki banake subahsham

Mujhko inhi logo ne kiya badnaam  
Ghungat uthake sare aam  
Mujhko inhi logo ne kiya badnaam  
Ho inhi logo ne kiya badnaam.
