

Mera naam hai jameela, mera husn hai nashila
Jisko bhi main dekhun ho jaye vo rangila
Jo jalwa main dikhaun to hosh main udaaun
Sab mere hai diwane kya hoga allah jane
Janti hun main to character kiska dheela
Mere aage pani kam hai munni aur sheela
Mera naam hai jameela, mera husn hai nashila
Jisko bhi main dekhun ho jaye vo rangila

Jhumka hai bareli wala lahnga rajasthani
Mujhse na sambhali jaye meri ye jawani
Jhumka hai bareli wala lahnga rajasthani
Mujhse na sambhali jaye meri ye jawani
Har mahfil me mere charche meri hai kahani
Log mujhse kahte hai angur ka tu pani
Char din me tang meri ho gayi hai choli
Ankhiyo se maru mai to aashiko pe goli
Mera naam hai jameela, main beautiful jamila
Mera naam hai jameela, main beautiful jamila

Chikne chikne gaal mere aankhe surmedani
Har koi ye mujhse bole dil de de o rani
Chikne chikne gaal mere aankhe surmedani
Har koi ye mujhse bole dil de de o rani
Nain nashe ke botal mere honth hai gulabi
Mastioyn me chur hun main chaal sharabi
Kya karun main haay rabba sab mere diwane
Aajkal to log bole mere hai jamane
