Han daade da jorheya peo koley te peo da jorheya mere kol
Jaani jaan tu baba naanka ki lukeya das tere ton

Haan methon baad waari apleyan di kehra pakka dera ae
Tera tera tolan waleya ho mera sab kuj tera ae
Tera tera tolan waleya ho mera sab kuj tera ae

Haan suyi ton lai ke jahaz tak baba
Kulliyon ton laike taaj tak baba
Dushman ton laike saathi tak baba
Kirhi ton laike hathi tak baba

Tu zare zare vich vasda ae har jagah vasera ae
Ho tera tera tolan waleya mera sab kuj tera ae
Tera tera tolan waleya ho mera sab kuj tera ae

Han jinna ne mainu janam ditta gall dil wali ik dasan main
Jadon tu mainu kiton ni dikhda bebe bapu chon takkan main
Haan eni ku kirpa kareo baba chaliye thodiyan leehan te
Ho yugan yugan tak chalde rehan thode langar chalaye veehan de
