

Mera wada raha ho o o o yeh wada raha  
Jina na marna hai kuchh bhi na karna hai  
Jina na marna hai kuchh bhi na karna hai tere bina  
Mera wada raha ho o o o yeh wada raha  
Jina na marna hai kuchh bhi na karna hai  
Jina na marna hai kuchh bhi na karna hai tere bina  
Mera wada raha ho o o o yeh wada raha

Tu hi hai chahat meri, tu hi meri puja  
Tere siwa na koi sapno mein duja  
Main toh fida hu jaanam teri adaaon pe  
Tum hi base ho mere dil ki sadaaon mein  
Sona na jagana hai, chalna na rukana hai  
Paana na khona hai, hansana na rona hai tere bina  
Mera wada raha ho o o o yeh wada raha  
Jina na marna hai kuchh bhi na karna hai  
Jina na marna hai kuchh bhi na karna hai tere bina  
Mera wada raha ho o o o yeh wada raha

Dil ka yeh rishta apna kabhi bhi na toote  
Marke bhi jaanam tera daaman na chhoote  
Rabse hai maanga maine tujhe sab duwaon mein  
Tum hi khayaalo mein ho, tum hi nigaaho mein  
Aana na jaana hai, kisi se na milana hai  
Kehana na sunana hai, sapne na bunana hai tere bina  
Mera wada raha ho o o o yeh wada raha
