

Yeah ha o ho

O mere baap pehle aap

O mere baap pehle aap

Batau tumhe main bhala kaise,

Karo na jid na karo aise

Batau tumhe main bhala kaise,

Karo na jid na karo aise

Maan lo baat, maan lo, maan lo

Maan lo baat, maan lo, maan lo

Maan lo baat, maan lo, maan lo

Maan lo baat, maan lo, maan lo

O mere baap pehle aap

O mere baap pehle aap

Ghodi pe chadhake jaaunga, sehra bhi sar pe sajaunga

Waada hai tumse waada hai, dulhan bhi saath le aaunga

Ghodi pe chadhake jaaunga, sehra bhi sar pe sajaunga

Waada hai tumse waada hai, dulhan bhi saath le aaunga

Lekin meri baaton ka, tum samajho pehala ishaara

Lekin meri baaton ka, tum samajho pehala ishaara

Aise na karo kinara, tum samajho pehala ishaara

Aise na karo kinara

Batau tumhe main bhala kaise,

Karo na jid na karo aise

Batau tumhe main bhala kaise,

Karo na jid na karo aise

Maan lo baat, maan lo, maan lo

Maan lo baat, maan lo, maan lo

O mere baap pehle aap

O mere baap pehle aap

Meri biwi jab aayegi, woh mujhko uda le jaayegi

Main laakh use samjhaaunga, woh ek samajh na paayegi

Iss umar mein mujhase jyaada,

Shaadi ki tumhe hai jarurat

Shaadi ki tumhe hai jarurat

Dekho jaldi se mahurat, shaadi ki tumhe hai jarurat

Dekho jaldi se mahurat

Batau tumhe main bhala kaise,

Karo na jid na karo aise
Batau tumhe main bhala kaise,
Karo na jid na karo aise
Maan lo baat, maan lo, maan lo
Maan lo baat, maan lo, maan lo
Maan lo baat, maan lo, maan lo
O mere baap
