

Mere bichhade huye sathi
Teri yaad satave
Mere bichhade huye sathi
Teri yaad satave
Baar baar teri sudh aaye
Biraha agan jalaye
Mere bichhade huye sathi
Teri yaad satave
Chupke chupke dil rota hai
Tera pyar ghata sota hai

Chupke chupke dil rota hai
Tera pyar ghata sota hai
Door kisi zurmut mein koyal
Shor machaye
Teri yaad satave
Mere bichhade huye sathi
Teri yaad satave

Tumne hanskar hume rulaya
Meri pooja ko thukaraya
Tumne hanskar hume rulaya
Meri pooja ko thukaraya
Phir bhi kyu taqdeer tumhari
Humko tarsave
Mere bichhade huye sathi
Teri yaad satave

Tere gham ko koi kya jane
Dil ki peeda ko dil pehchane
Dil ki peeda ko dil pehchane
Tum to humse door base ho
Tum to humse door base ho
Aansoo kaun sukhare
Mere aansoo kaun sukhare
Mere bichhade hue sathi
Teri yaad satave
Baar baar teri sudh aaye
Biraha agan jalaye
Mere bichhade huye sathi
