Sagraam hai teraa naam
Tu hi bataa sabake liye

Bolo raam raam bolo
Bolo raam raam
Usake baad karo jhuk kar
Is mitti ko pranaam
Mere deshavaasiyo
Apne desh ko sambhaalo
Subah savere sabase pahale

Bolo jhumo naacho
Gaaoo geet hain ye taqarir nahin
Ab gairo ke haatho mein
Ham sabaki taqadir nahin
Haatho mein hathakadi nahin
Paavo mein zajir nahin
Kyoki ham azaad hain ham
Sab ab nahin gulaam
Karo is mitti ko pranaam
Mere deshavaasiyo

Yahi pe jeena marana hamako
Yahi pe hansanaa rona hain
In kheto se khalihaano se
Sonaa paidaa hona hain
Jaagate rahanaa mat sonaa
Ye mitti nahin hain sonaa hain
Bech na dena is sone
Ko tum mitti ke daam
Karo is mitti ko pranaam
Mere deshavaasiyo

Mere desh ke vaasi desh ki
Sevaa tum din raat karo
Desh se itanaa pyaar kiya

Thodaa mere saath karo
Kab tak apani raadhaa ko
Tadapaaoge shyaam
Subah savere sabase pahale.
