

Mere dil mein jo hota hai
Tere dil mein kya hota hai
Hota hai to ye pyar hai ikarar hai
Han thoda kuchh hota to hai
Jane kya iske liye isaka naam
Main hu mushqil mein

Mere dil mein jo hota hai
Tere dil mein kya hota hai kya
Hota hai to ye pyar hai ikarar hai
Han thoda kuchh hota to hai
Jane kya iske liye isaka naam
Main hu mushqil mein

Apani mushqil ko aasan kar lo
Aankhon mein jhanko pahachan kar lo
Is dosti ko kuchh nam de do
Aagaz de do anjaam de do
Tum jo chaho isako samajho jo

Samajho woh mujhako kah do
Mujhako kahan inkar hai ikarar hai

Kuchh to bata do apani zubani
Ham jod lenge aage kahani
Bechain si hai kya zindagani
Bas pyar ki hai ye hi nishani
Aisa hai to aisa to hai
Rahane bhi do jane bhi do
Kuchh aur to kahena
Abhi dushwar hai

Kar do nazar se koyi ishara
Kya faisala hai bolo tumhara
Apane dilon ko aise na todo
Kismat ki batein kismat pe chhodo
Mausam bhi hai furasat bhi
Hai aawoh mil ke jhumein gayein
Ham phir kabhi sochenge kya pyar hai

Mere dil mein jo hota hai

Tere dil mein kya hota hai kya
Hota hai to ye pyar hai ikarar hai.
