

Mere dil mein utar jaao
To moti haath lagega
Mere dil mein utar jaao
To moti haath lagega
Samudar mein utarne se
Tumhe kya fayda hoga
Mere dil mein utar jaao
To moti haath lagega
Samudar mein utarne se
Tumhe kya fayda hoga
Mere dil mein utar jaao
To moti haath lagega

Roz karte hai sanam ham
Chahato ki baate
Par pasandida kabhi na
Hoti hai mulaqate
Chhup chhup ke nighao se
Wada tum karte ho
Bina karan mukarne se
Tumhe kya fayda hoga
Mere dil mein utar jaao
To moti haath lagega

Sun lo tum aawaz is
Bezubaa dhadkan ki
Jaan lo bhi aarzue ab mere uljan ki
Jin galiyo mein jaane ja
Darr na ho aashiq ka
Un galiyo mein guzar ne se
Tumhe kya fayda hoga
Mere dil mein utar jaao
To moti haath lagega
Mere dil mein utar jaao
To moti haath lagega
Samudar mein utarne se
Tumhe kya fayda hoga
Mere dil mein utar jaao
To moti haath lagega.
