

Mere dildaar ka baankpan
 Haay baankpan hoy baankpan alaah alaah
 Mere dildaar ka baankpan alaah alaah
 Chaandani se taraasha badan alaah alaah
 Dekhakar jisako hurein bhi sajada kare
 Sajada kare ha sajada kare haay haay sajada kare
 O meri naajani o meri naajani gulbadan alaah alaah
 Usi haseen mehjabin ki avan alaah alaah
 Phul se hont resham sa tan alaah alaah
 Mere dildaar ka baankpan alaah alaah

Woh kankhiyo se unka hame dekhna ha
 Hame dekhna hay hame dekhana hay
 Jabse use dekha hai deewaano si haalat hai
 Betaab hai har dhadkan bechain tabiyat hai
 Woh sar se kadam tak ik mehaki huyi jannat hai
 Chhune se badan masake iss darja najaakat hai
 Ukhsaar karishma hai raftaar kayaamat hai
 Duniya mein wajud usaka kudrat ki inaayat hai
 Wohjisape karam kar de woh saahida kismat hai
 Woh kankhiyo se unka hame dekhna ha
 Hame dekhana haay hame dekhana
 Tir tirachhe, tir tirachhechalaane ka fan alaah alaah
 Tir tirachhe chalaane ka fan alaah alaah
 Mere dildaar ka baankpan alaah alaah

Saadagi mein chhupa shokhiyon ka sama ,
 Shokhiyon ka sama shokhiyon ka sama
 Jis husn ke jalawo par dil hamane lutaaya hai
 Woh husn jamoto par takdir se aaya hai
 Kudrat ne badan usaka fursta se banaaya hai
 Saurkar hatrango se har ang sajaaya hai
 Ghanghor ghhataao ko julfon mein basaaya hai
 Bijali ke tabassum ko najaron mein bulaaya hai
 Mehake huye phulon ko saanson mein rachaaya hai
 Saadagi mein chhupa shokhiyon ka sama,
 Shokhiyon ka sama shokhiyon ka sama
 Shokhiyon mein,shokhiyon mein,
 Woh sharmilapan allah allah
 Shokhiyon mein woh sharmilapan allah allah

Mere dildaar ka baankpan alaah alaah

Gaalon mein gulaabipan aankhon mein sharabipan
Gardan ka bukham haay honto ka woh nam haay
Daali si kamar tauba barchhi si najar tauba
Barfi huyi baahein hain makhmur nigaahein hai
Jaalim hai haya usakikaatil hai ada usaki
Masti se bhari hai woh, ik sabj pari hai woh
Chaandi ke khilaune si phulon ke bichhaune si
Chaandi ke khilaune si phulon ke bichhaune si
Ghaalib ki gajhal jaisi mumtaj mehal jaisi
Karke deedaar yaar aaj dil jhum utha ,
Aj dil jhum utha aj dil jhum utha
Noor se bhar gaye,noor se bhar gaye,
Jaano tan allaah allaah
Noor se bhar gaye jaano tan allaah allaah
