

Mere halaat yeh kya huye hai khuda
Mere halaat yeh kya huye hai khuda
Kya the mere gunaah, kya thi meri khata
Mere halaat yeh kya huye hai khuda
Mere halaat yeh kya huye hai khuda
Kya the mere gunaah, kya thi meri khata
Mere halaat yeh kya huye hai khuda

Ajanabi shahar ke ajanabi raaste, bebasi par meri muskuraate rahe
Meri masumiyat jehar peeti rahi, jindagi har kadam aajmaati rahi
Maine chaaha tha kya, tune kya de diya
Maine chaaha tha kya, tune kya de diya

Mere khaathir hai kyun tera yeh faisla
Mere halaath ye kya huye hai khuda

Khwahisho ke mere kyun diye bujh gaye, hasrato ke sabhi kaarwa lut gaye
Jindagi lamha lamha ulajhati gayi, meri takdir ke na khuda so gaye
Chhin kar har khushi, ghum mata kar diya
Chhin kar har khushi, ghum mata kar diya
Kya meri mannato ka yahi hai sila
Mere halaat yeh kya huye hai khuda
Mere halaat yeh kya huye hai khuda
Kya the mere gunaah, kya thi meri khata
Mere halaat yeh kya huye hai khuda

Dard sehata raha phir bhi hansata raha
Roj jita raha, roj marata raha
Ik hasi kal ki thi bas tamanna mujhe
Isliye barf bankar pighalta raha
Tapate suraj ke jaisa mera hausala
Tapate suraj ke jaisa mera hausala
Roj jalata raha, roj dhalata raha
Mere halaat yeh kya huye hai khuda.
