

Raat aai hai
Mohabbat ki kahani leke
Chaand nikala hai
Tamanna ki jawani leke
Din nikalate hi
Mujhe dur kahin jaana
Aakhiri raat ki
Aankhon mein nishaani leke

Mere hamsafar tujhe kya khabar
Hai chala kidhar mera karawaan
Jahaan maut hi ke hai raasate
Nahiin zindagii kaa koi nishaan
Hai chala kidhar mera karawaan

Mere hamasafar

Meri zindagii to hai raat bhar
Koi baat sun koi baar kar
Merii maut mujhako bulaa rahii
Zara chhed de koi dastaan
Mere hamasafar

Zara aur bhi mere paas aa
Mujhe dekh dekh ke muskura
Ghadii do ghadi ki ye furasaten
Hai likhi nasib mein phir kahaan
Jahaan maut hii ke hai raasate
Nahiin zindagii ka koi nishaan
Hai chala kidhar mera karawaan
Mere hamasafar.
