

Mere khwaabon mein jo aaye
Aake mujhe chhed jaaye
Mere khwaabon mein jo aaye
Aake mujhe chhed jaaye
Use kahon kabhi saamne to aaye
Mere khwaabon mein jo aaye
Aake mujhe chhed jaaye
Use kahon kabhi saamne to aaye
Mere khwaabon mein jo aaye

Kaisa hai kaun hai wo jaane kahan hai
Ho kaisa hai kaun hai woh jaane kahan hai
Jiske liye mere hoton pe aah hai
Apna hai ya begana hai wo
Sach hai ya koi afsana hai wo
Dekhe ghur ghur ke yunhi door door se
Use kahon meri neend na churaye
Mere khwaabon mein jo aaye
Aake mujhe chhed jaaye

Use kahon kabhi saamne to aaye
Mere khwaabon mein jo aaye

Jadoo se jaise koi chalne laga hai
Ho jadoo se jaise koi chalne laga hai
Main kya karun dil machalne laga hai
Tera deewana kehta hai wo
Chup chup se phir kyon rahta hai wo
Kar baitha bhool wo le aaya phool wo
Use kaho jaaye chaand leke aaye
Mere khwaabon mein jo aaye
Aake mujhe chhed jaaye
Mere khwaabon mein jo aaye
Aake mujhe chhed jaaye
Use kahon kabhi saamne to aaye.
