

Mere mahabub me kya nahi kya nahi
Mere mahabub me kya nahi
Vo to laakho me hai ek hasi
Vo to laakho me hai ek hasi, ek hasi
Mere mahabub me kya nahi, kya nahi
Mere mahabub me kya nahi
Bholi surat ada naazani
Bholi surat ada naazani, naazani
Mere mahabub me kya nahi, kya nahi
Mere mahabub me kya nahi

Aa a a
Meraa mahabub ek chaand hai
Husn apna nikhaare hue
O a a
Aasamaan ka farishta hai vo
Rup insaan ka dhare hue
O a a
Rashk-e-jannat hai vo mahazabi
Rashk-e-jannat hai vo mahazabi, mahazabi
Mere mahabub me kya nahi, kya nahi
Aa a a
Maah ho anjum ho ya kaikashaa
Sabase pyaaraa hai meraa sanam
Aa a a
Usake jalavo me hai vo asar
Hosh ud jaaye allaah qasam
Aa a a
Dekhale gar use tu kahi
Dekhale gar use tu kahi, tu kahi
Mere mahabub me kya nahi, kya nahi
Mere mahabub me kya nahi

Meraa mahabub hai jaaneman
Karavaa kadamaah ruh gulabandan
Meraa dilavar hai aisa javaan
Ho bahaaro me jaise chaman
Usaki chaalo me aisi lachak
Jaise phulo ki daali hile
Usaki aavaaz me vo khanak

Jaise shishe se shishaa mile
Usake adaaz hai dilanashi
Bholi surat ada naazani, naazani
Mere mahabub me kya nahi, kya nahi

Mere mahabub me kya nahi

Tere afasaano me meri jaan
Hai jhalak meri afasaano ki
Daastaane hai milati hui
Allaah ham dono paravaano
Paravaano ki
Ek hi shamaa ho na kahi
Vo to laakho me hai ek hasi, ek hasi
Mere mahabub me kya nahi, kya nahi
Mere mahabub me kya nahi.
