---

Mere mehboob nu meri rahi na fikar  
Ohdiyan gallan ch ajj kal mera na zikar

Main marda ya jeena aa fatt ohde seena aa  
Rovan ohde layi hanju main peena aa  
Hanju main peena aa hanju main peena aa  
Main marda ya jeena aa fatt ohde seena aa  
Rovan ohde layi hanju

Oh jithe vi rahe

Khushiyan di aaye bas khabar  
Mere mehboob nu meri rahi na fikar  
Ohdiyan gallan ch ajj kal mera na zikar

Oh pinda nahi si peen hai lageya  
Hath vich jaam kise hor da  
Hathan te mera naa ajj vi ae ohde  
Akhan ch naam kise hor da  
Kise hor da kise hor da

Kasam kha layi jaana ni ohde main shehar  
Mere mehboob nu meri rahi na fikar  
Ohdiyan gallan ch ajj kal mera na zikar

Koi te honi sohne sajna di majboori  
Roya oh vi hone sade kolon paa ke doori  
Bura boliye kufar toliye eh sada imaan nahi  
Jide kolon khadi 12 saal asan ne choori  
12 saal asan ne choori 12 saal asan ne choori

Oh haske sahe hoye jo sade te kehar
