

Woh rang bhi kya rang hai  
Jo milta na tere hoth ke rang se hubahu  
Woh khushboo kya khushboo  
Thehre na jo teri saanwari zulf ke rubaru

Tere aage ye duniya hai pheeki si  
Mere bin tu na hogi kisi ki bhi  
Ab ye zaahir sareeam hai, elaan hai

Jab tak jahaan mein subah shaam hai  
Tab tak mere naam tu  
Jab tak jahaan mein mera naam hai  
Tab tak mere naam tu

Jab tak jahaan mein subah shaam hai  
Tab tak mere naam tu  
Jab tak jahaan mein mera naam hai

Tab tak mere naam tu

Uljhan bhi hoon teri  
Uljhan ka hal bhi hoon main  
Thoda sa ziddi hoon  
Thoda pagal bhi hoon main

Barkha bijli baadal jhoothe  
Jhoothi phoolon ki saugatein  
Sacchi tu hai saccha main hoon  
Sacchi apne dil ki baatein

Dastkhat haathon se haathon pe kar de tu  
Naa kar aankhon pe palkon ke parde tu  
Kya ye itna bada kaam hai, elaan hai

Jab tak jahaan mein subah shaam hai  
Tab tak mere naam tu  
Jab tak jahaan mein mera naam hai  
Tab tak mere naam tu

Jab tak jahaan mein subah shaam hai  
Tab tak mere naam tu

Jab tak jahaan mein mera naam hai  
Tab tak mere naam tu

Mere hi ghere mein ghoomegi har pal tu aise  
Sooraj ke ghere mein rehti hai dharti ye jaise  
Paayegi tu khudko na mujhse judaa  
Tu hai mera aadha sa hissa sadaa

Tukde kar chaahe khaabon ke tu mere  
Tootenge bhi tu rehne hain woh tere  
Tujhko bhi toh ye ilhaam hai  
Elaan hai...
