

Mere nadim mere humsafar
Udas na ho
Kathin sahi teri manzil
Magar udas na ho
Mere nadim mere humsafar

Har ek talash ke raste me
Mushkile hai magar
Har ek talash murado ke
Phool lati hai
Hazar chad sitaro ka
Khun hota hai
To ek subha fizado me
Muskurati hai
Mere nadim mere humsafar
Udas na ho
Kathin sahi teri manzil
Magar udas na ho
Mere nadim mere humsafar

Kadam kadam pe chatane khadi
Rahe lekin
Jo chal nikalte hai dariya
To phir nahi rukte
Hawaye jitna bahi takraye
Andhiya ban kar
Magar ghatao ke parchangh

Kabhi nahi jhukte
Mere nadim mere humsafar
Udas na ho
Kathin sahi teri manzil
Magar udas na ho
Mere nadim mere humsafar

Jo apne khun ko pani bana
Nahi sakte vo zindagi mein
Naya dour la nahi sakte
Jo rasto ke andhaire se
Har jate hai vo manzilo ke
