

Ho baithe baithe ek din  
Khuda ko aisa chada sharur  
Ke aaj main bnata hu ek huro ki hur  
Phir phulo se mehak li taro se chamak  
Mausam se masti li bijli se damak  
Shabnam se pyas li samma se jalan  
Koyal si kuki li o papihe ki lgan  
Jisko banake khuda ko bhi ho gaya  
Thoda sa garur

O mere nur ke charche dur dur  
Mere nur ke charche dur dur  
Mujhe dekhe ye duniya ghur ghur  
Meri mashur ho gayi jawani  
Jawani dekho yaro main  
Mera naam chale re bazaro main  
O mera naam chale re bazaro main  
O mere nur ke charche dur dur  
Mujhe dekhe ye duniya ghur ghur  
Meri mashur ho gayi jawani  
Jawani dekho yaro me  
Mera naam chale re bazaro main  
O mera naam chale re bazaro main

O gori gori chandani ne  
Chehara hai mera nikhara  
Gori gori chandani ne  
Chehara hai mera nikhara  
Rup mera hath se baharo  
Ne aakar sawara  
O rup mera hath se baharo  
Ne aakar sawara

Rang mere labo ka gulabi  
Ang mere hai dekho shababi  
Kis nazar se pilayi sharabi  
Sharabi ek hazaro main  
Mera naam chale re bazaro main  
O mera naam chale re bazaro main

Ha chori chori log mujhse  
Milne ka dhunde bahana  
Chori chori log mujhse  
Milne ka dhunde bahana  
Haye kaha jau mere pichhe sara zamana  
Haye kaha jau mere pichhe sara zamana  
Maine aisi hai aachis lgayi  
Jo bhuje na kisi ke bhujai  
Maine dekho macha di  
Tabahi tabahi dildaro main  
Mera naam chale re bazaro main  
Mere nur ke charche dur dur  
Mujhe dekhe ye duniya ghur ghur  
Meri mashur ho gayi jawani  
Jawani dekho yaro main  
Mera naam chale re bazaro main  
O mera naam chale re bazaro main.
