

Mere saamane tu din raat rahe
Mere saamane tu din raat rahe
Mere saamane tu din raat rahe
Mere saathi tu hamesha mere saath rahe
Mere haath mein sada tera haath rahe
Mere haath mein sada tera haath rahe
Mere saathi tu hamesha mere saath rahe
Yeh duniya ho ke woh duniya
Yeh duniya ho ke woh duniya
Mere haath mein sada tera haath rahe
Mere saathi tu hamesha mere saath rahe

Koyi phul khile na khile ghum nahi
Koyi phul khile na khile ghum nahi
Koyi zakhm sile na sile ghum nahi
Koyi zakhm sile na sile ghum nahi
Koyi phul khile na khile ghum nahi
Koyi zakhm sile na sile ghum nahi
Koyi aur mile na mile ghum nahi
Teri meri hamesha mulaakaat rahe
Teri meri hamesha mulaakaat rahe
Mere saathi tu hamesha mere saath rahe
Mere haath mein sada tera haath rahe
Mere saathi tu hamesha mere saath rahe

Iss duniya ka waha shor na ho
Iss duniya ka waha shor na ho
Rasmo ka rivaajo ka jor na ho
Jahaan hum ho waha kuchh aur na ho
Armaano ki bas barat rahe
Armaano ki bas barat rahe
