

Ho mere yara dildara zara sun sun
Mere dil ki badalati dhun dhun
Dil jhum ke gaye gun gun
O mere dil ne kisi ko liya chun chun
Ho hame toh batao dekho naa chhupao
Bolo bolo usaka jo nam hai

Ho mere yara diladara zara sun sun
Kyun dil ki hain badali dhun dhun
Kyun gata hain dil teraa gun gun
Tune kis ko liya hai chun chun

He he
Hai koyi hasina hosh meraa chhina
Din raat usaka yeh kam hain
Dil mein jo tere din rat hain
Aisi bhi usame kya bat hain
Dil mein jo tere din rat hain

Aisi bhi usame kya bat hain
Meri woh dulari hai badi pyari
Pyara pyara usaka nam hai

lyrics

Tere dil mein hain koyi toh
Mere dil mein bhi koyi hain
Yeh dil ki lagi hain yara
Ya dillagi koyi hain
Meraa dil hai ik mandir
Toh mohabbat ki woh devi hain
Chalo hamane yeh jana ki
Tumne mohabbat ki hain

Hame toh batao dekho naa
Chhupao kya usaka naam hain
Hame toh batao dekho naa
Chhupao kya usaka naam hain

Mere yara diladara zara sun sun
Kyun dil ki hain badali dhun dhun
Kyun gata hain dil teraa gun gun
Ho tune kis ko liya hain chun chun

He he he hain woh anjani koyi deewani
Dil mein jo mere subaho sham hain

Tumhari hai koyi kahani
Tumhara koyi afasana
Magar tere dil mein kya hain
Kisi ne nahin yeh jana
Kayi din se mere dil mein
Bhi hai ik sapana suhana
Woh sapana suna do hamko
Ki ik din toh hoga sunana
Hame toh batao dekho
Naa chhupao kya usaka naam hain
Hame toh batao dekho
Naa chhupao kya usaka naam hain

He mere yara diladara zara sun sun
Kyun dil ki hain badali dhun dhun
Kyun gata hain dil teraa gun gun
Ho tune kisako liya hain chun chun
Hai woh anjana koyi deewana
Duniya mein bada badnam hain

He mere yara diladara zara sun sun
Kyun dil ki hain badali dhun dhun
Kyun gata hain dil teraa gun gun
Ho tune kisako liya hai chun chun.
