

Aa sajna more nainan main,
Mai palak dhanp tohe lu
Naa main dekhu aur kisi ko,
Aur naa tohe dekhan du...

Meri aankhon mein yaar
Tu hi basata hain
Mere yaar tu hi basata hain
Meri aankhon mein yaar
Tu hi basata hain
Mere yaar tu hi basata hain
Dekhu jahan jahan main
Dekhu jahan jahan main
Teraa didaar hai

Meri aankhon mein yaar tu hi basata hain
Mere yaar tu hi basata hain
Dekhu jahan jahan main teraa didaar hai
Meri aankhon mein yaar tu hi basata hain
Mere yaar tu hi basata hain

Mann hai vibhor, man aangan
Dekho hai vibhor
Aangan mein utri chandani,
Jaise ho chaand se baandhi dor...

Yuh toh bikhra hai pyaar teraa,
Har ek jagah se too jhanke
Yuh toh bikhra hai pyaar teraa,
Har ek jagah se too jhanke
Kabhi chidiyo ke mukh se bole,
Kabhi phoolo se mujhako tanke
Yuh toh hain tere rup kayee,
Kahi dil naa mora lage
Mujhko toh mere yaar

Mujhko toh mere yaar,
Too hee jachda hai
Mere yar too hi jachda hai,
Dekhu jahan jahan

Main teraa didaar hai
Meri aankhon mein
Yaar tu hi basata hain
Mere yaar tu hi basata hain

Tere jane ke bad sajan,
Yeh pyaar hai kya maine jaana
Tere jane ke bad sajan,
Yeh pyaar hai kya maine jaana
Khuda bhala hi karta hai,
Iss raaz ko maine pehchaana
Rab itna aur kare ke too,
Ghar jalde se aa jaave
Too kare naa ek pal der
Too kare naa ek pal der,
Mainu lagda hai
Mere yar mainu lagda ha,
Dekhu jahan jahan main teraa didaar hai
Meri aankhon mein yaar tu hi basata hain
Mere yaar tu hi basata hain
Mere yaar..mere yaar...mere yaar..
Mere yaar tu hi basata hain.
