

Loot le dil bich mehfil, hum toh aise hai beimaan
Meri ek ada shola, meri ek ada shabnam
Meri aankhon mein hai hardam harpal hai ik tufaan
Abhi dur se hai dekha, kabhi paas mere toh aa
Phir dekh mera jalwa, koyi mujhasa hai kahaan

Yaaron ki mehfil mein yaar aaye hain
Dil ko churaane dildaar aaye hain
Mauka hai ik pal hai palbhar ka sama
Iss pal mein ban jaaye koyi daastan
Loot le dil bich mehfil, hum toh aise hai beimaan
Meri ek ada shola, meri ek ada shabnam
Meri aankhon mein hai hardam harpal hai ik tufaan

Ishq bin jina hai kya, ishq bin marna hai kya
Ishq hi toh haqiqat hai, ishq bin marna hai kya
Ishq bin jina hai kya, ishq bin marna hai kya
Ishq hi toh haqiqat hai, ishq bin marna hai kya
Ishq sab hai, ishq rab hai, ishq hai mera khuda
Meri ek ada shola, meri ek ada shabnam

Meri aankhon mein hai hardam, harpal hai ik tufaan

Haadasa aisa ek ho gaya hai yahaan
Jo hai anjaan honge woh yuun hairaan
Aankh se jaise kaajal churaale koyi
Aur badale mein bas ek duwa de koyi, haan duwa de koyi
Khush raho, khush raho,
Khush raho, khush raho rab karam yeh kare
Jo ho apne tumhaare na woh ghum kare
Na paraaya koyi aaankh ko num kare
Ho sake toh jara tum bhi kar lo duwa
Tum bhi kar lo duwa ho sake toh jara
Woh mile jisake haathon mein meri jaan hai
Hamne ki duwa, lo yeh ki duwa, hamne ki duwa hai
Haath yuun utha sar bhai hai jhuka, hamne yuun duwa hai
Mohabbat sabne ki hogi, ishq bin jina hai kya
Moahabbat apni alag hai, ishq bin marna hai kya
Main kya kya kar jaayunga, yeh toh bas ek jhalak hai
Ishq bin marna hai kya

Loot lu dil bich mehfil, bachake jaayega tu kahaan
Tufaan utha dunga, main jaan laga dunga
Tu hai ke meri pehchaan mita dunga
Abhi dur se hai dekha, kabhi paas mere tu aa
Phir dekh mera jalwa, koyi mujhsa hai kahaan.
