

Jis par dil aa gaya usko propose kar do,  
Matter once in for all close kar do  
Gaana accha lagey toh comment maaro,  
Ganda lagey toh bhi dent maaro

Baby meri tun girl friend ban ja  
Gal meri tun man ja man ja  
Ek vaari mainu keh de honey  
Then we will marry in germany  
9 am to pm 9  
U r my valentine  
Red red like a rose  
U r my poetry & my prose

Love main tujhse karna laga hun baby  
Mujhe na samazh aisa waisa koi farebi  
Check my bio i believe in god  
Honeymoon ke liye jaayenge abroad  
Karta hun only after party main snore  
Baby never never karna mujhe ignore  
Dil apna main tujhe de chuka hun  
Bas tere answer ke liye ruka hun

I love the way u say monkey ko manky  
Pyaar mera nahi hai hanky panky  
Sachin hai cricket mein master blaster  
Yaari karle baby mujhse faster  
Summer is gone ab toh aa gaya hai autumn  
Beautiful hai tu from top to bottom  
U r my apsara staright from the heaven
