

Aaja meri jan tere
Kurban tera diwana
Karle mujhse pyar
Mai hu dildar tera parwana
Ja ja beiman dikha kar
Chand hame bahkana
Jane dil ke raz sabhi
Andaz bane anjana

Aankho se jadu jaga
Hotho se masti luta
Aankho se jadu jaga
Hotho se masti luta
Teri tarah o sanam
Hum to nahi bewafa
Lag ja gale se ke
Dil bekarar hai
Ja ja beiman dikha kar
Chand hame bahkana
Jane dil ke raz sabhi
Andaz bane anjana
Karle mujhse pyar mai hu
Dildar tera parwana
Ja mai

Sar ko adab se jhuka
Hamse najar na mila
Sar ko adab se jhuka
Hamse najar na mila
Ishk ki aankhe nahi
Aise na dar dil ruba
Aashik ki najro ka
Kya etbar hai
Aaja meri jan tere
Kurban tera diwana
Karle mujhse pyar mai
Hu dildar tera parwana
Ja ja beiman dikha kar
Chand hame bahkana
Jane dil ke raz sabhi

Andaz bane anjana

Tujhko hamari kasam

Aaj to karde karam

Tujhko hamari kasam

Aaj to karde karam

Bate khusamad bhari

Khub samjhte hai hum

Kuch bhi kahe tu mujhko

Tumse pyar hai

Ja ja beiman dikha kar

Chand hame bahkana

Jane dil ke raz sabhi

Andaz bane anjana

Karle mujhse pyar mai hu

Dildar tera parwana

Ja mai.
