

Oo meri jaan,
Meri jaan tu khafa hai to kya huya
Ye sitam ye ada hai to kya huya
Mai to bas ek diwana hu
Husn wale to khuda se bhi ruth jate hai
Husn wale to khuda se bhi ruth jate hai

Ye husn ki hai aadat purani
Tadpe mohabbat tarse jawani
Hotho pe shikve aankho mein pani
Hum aashiqo ki hai ye nishani
Oo meri jaan tu khafa hai to kya huya
Ye sitam ye ada hai to kya huya
Main to bas ek deewana hu
Husn wale to khuda se bhi ruth jate hai
Husn wale to khuda se bhi ruth jate hai

Main bhi yaha hu tu bhi yahi hai
Uspe sanam ye rut bhi hansai hai
Aisa sitamgar hoye koi kahi hai
Aise metere lab pe nahi hai
Oo meri jaan tu khafa hai to kya huya
