

Meri Tarah Kaun Lyrics

Dc meri custom made empty vessel inke gaane
Aa rapper sun ja bartan bech
Hum waise rapper jo apna pendrive deke dj se
Haan gaana bajake khush ho jaate the hum visarjan pe

Bahut saare burden the, aisa lagta tha ke
Zindagi ye chhuri leke baithi thi haan gardan pe
Hum bhi alter kabhi khauf nahi khaaye
Kyunki danger log se area mein humare bhi toh sambhandh the

Sab kuch hum karte face real talk karte rappers
Lekin bars maangre inko jaake summon bhej
College mein tapka kyunki khaali tha paper
Aaj pass hue life mein kyunki bhar diya hai humne page

Samay ka koi khauf nahi hai dost
Hum bure waqt mein bhi seena taan ke khade rehte
Maaloom hai na
Yayayayaya

Ye saale dekhna chahte hain downfall mera
Main bharosa rakhta yahaan khaali jeetne pe
Ye tay karna chahte hain taqdeer mera
Aise logon ko toh jaan hum khareed lete

Neend lete aaj sukoon waali baate junoon waali
Boondh boondh nahi ye barsaat hai june waali
Banda ye khoonkhaari upar se tu khaali
Sick dete punch khula ye na mohali

Main haali macha diya bhopali
Spit kare laalam laal laala jaise bhopali
Do pyaali chai peene waale munh mein wo gaali
Jise beta sunke tu royega sau saal nee

Haraami hai
Gulaami kabhi kara nahi mazaak zara nahi
Bhookha hai khila andrar zinda aaj bhi mara nahi

Main chhote teri tarah nahi
Main shine kara
Kiske baap ka industry nahi hai
Chhoda isliye dara nahi

Kara post koi bhi dost ke liye hate deke
Victim ye bante hain stories mein quotes deke
Saath baithe khaane waale ghost bahut dekhe
Caption mein buraai munh pe taareef karte honth dekhe

Kaun hai yahaan kaun hai?
Kaun hai yahaan kaun hai?
Kaun hai yahaan kaun hai?
Meri kaamyabi shor kare
Saare baithe maun hain

Kaun hai yahaan kaun hai?
Kaun hai yahaan kaun hai?
Kaun hai yahaan meri tarah kaun?
Chhote unfair hai game poor
Khel zara one side mein

Kuch toh alag baat hai bantai mein
Tu khaali one time hai
Tu khaali fool gira
Tere pe wo sunshine mein

Rakha kafan side mein
Main karoon dafan
At the same time main career build
Karta jaise liya maine consignment

Class saare bars lekin
Chhote ye nahi assignment

Inhe pata nahi hai plot mera
Jaise beta island mein "s" silent

Paagal sa ye rapper
Tabhi beat bana asylum
Bas sign hum karte mota deal

Tera patla hai
Jeb mein nahi gandhi
Phir bhi jeb se tu takla hai

Chakli tu nakli
Bas bar mein tu chakna hai
Scene ko chalaara tera bhai chhote
Tu kaayko thakra hai

Kaun hai yahaan kaun hai?
Kaun hai yahaan kaun hai?
Kaun hai yahaan kaun hai?
Meri kaamyabi shor kare
Saare baithe maun hain

Kaun hai yahaan kaun hai?
Kaun hai yahaan kaun hai?
Kaun hai yahaan meri tarah kaun?
Chhote unfair hai game poora
Khel zara one side mein
