

Meri umar ka ek ladka  
Mat pucho kya karta hai  
Ankh jhuka ke chalta hai  
Shayad mujhse darta hai  
Meri umar ka ek ladka  
Mat pucho kya karta hai  
Ankh jhuka ke chalta hai  
Shayad mujhse darta hai  
Meri umar ki ek ladki  
Mat pucho kya karti hai  
Pyar bhare khat likhti hai

Shayad mujhpe marti hai

Pucho na uske nain hai kaise  
Nain mile to lagta hai aise  
Pucho na uske nain hai kaise  
Nain mile to lagta hai aise  
Jaise ambar niche hai  
Jaise upar dharti hai  
Meri umar ki ek ladki  
Mat pucho kya karti hai  
Pyar bhare khat likhti hai  
Shayad mujhpe marti hai  
Upar se kuch or wo chaliya  
Andar se chitchor wo chaliya  
Upar se kuch or wo chaliya  
Andar se chitchor wo chaliya  
Samne chup chup rahta hai  
Chupke ahe bharta hai  
Meri umar ka ek ladka mat  
Pucho kya karta hai  
Ankh jhuka ke chalta hai  
Shayad mujhse darta hai

Kon hai wo kya nam hai uska  
Sahar mein charcha aam hai uska  
Kon hai wo kya nam hai uska  
Sahar mein charcha aam hai uska  
Bikul tere jaisa hai wo

Tu bhi ho sakta hai  
Meri umar ka ek ladka  
Mat pucho kya karta hai  
Ankh jhuka ke chalta hai  
Shayad mujhse darta hai  
Meri umar ki ek ladki  
Mat pucho kya karti hai  
Pyar bhare khat likhti hai  
Shayad mujhpe marti hai.
