

Meri zindadi tere hathon mein,
Teraa hath teraa hath
Main nahin chhadna
Meri zindadi tere hathon mein,
Teraa hath teraa hath
Main nahin chhadna
Soniye, main nahin chhadna
Meri manjil teri
Baanho mein, teraa saath
Teraa saath main nahin chhadna
Mahiya, main nahin chhadna
Meri zindadi tere hathon
Mein, teraa haath
Teraa haath main nahin chhadna

Phoolo mein teraa chehra hain
Khushboo mein hain pyar teraa
Mujhko duniya ki har shay mein
Rup mila hai yar teraa
Teraa zikrr meri har
Baato mein teri baat

Teri baat main nahin chhadna
Balliye main nahin chhadna
Meri manzil teri
Baaho mein, teraa saath
Teraa saath main nahin chhadna

Tere naam kaa tana dekar
Hansti hain meri sakhiyan
Mujhko aate jate dekhe
Shak se logo ki ankhiya
Bada maja hain inn
Mulakato mein, mulakat
Mulakat main nahin chhadna
Makkhnaa main nahin chhadna
Meri zindadi tere
Hathon mein, teraa hath
Teraa hath main nahin chhadna
Meri manzil teri
