

Merise Mabbullo Song Lyrics

Gala gala erulaa pravahinchaalilaa
Adugadugo alalaa thulli padelaa
Ee thirugudu elaa ee thikamakalelaa
Nuvvetu vellaalo neeke teliyaala

Idhigo daatesthe venakki palem

Merise merise
Merise mabbullo
Edho chitram geese

Ho, virise virise
Virise navvullo
Chaitraale puvvincheyy

Ee daare nee nestham
Ye gamyam kaadhe shashwatham
Ho o o, padha padha malupu edhaina
Alaa palakarincheddham, lele le le

Teliyadhu kadhaa
Munmundhu kanule chedhire
Chitraalennunnaayi
Emo choopisthaayo

Manasutho choosey
Kalaa nijam oke jagam kadha
Pedavulapai merupe
