Mic testing

Onnu rendu moonu

Set-ah pottu solla poren naanu

Nadakkuthu de kedaikkuthu de

Nenachathellam ippo palikkuthu de

Kai thatti kumbala than kootti

Onnu serndhu weight-ah konjam kaatti

Adaikkanum de mudikkanum de

Thadukka vandha etti othaikkanum de

Kandukkaama thalli nikkathe

Sinthikkaama maiyum vaikkathe

Nadathanume ranagalame

Thirunthanime illai thiruthanume

Oruthan vote-ukku than thaale thillaale

Nadakkum aattathukku podu thillaale

Kedutha koottathukku thaale thillaale

Izhuthu gate-ah podu udane udane

Ilasaana pattalamum pakkuvama onnachu

Pazhasana thathuvamum thappunnu than aayachu

Anju varusham kenji kedappom

Nenja nimithi eppo kanji kudippom

Enni paarum ellarukkaka

Sandai podu un sandhathikkaka

Nelaikkanum de thazhaikkanum de

Thadukka vandha etti odhaikkanum de

Oruthan vote-ukku than thaale thillaale

Nadakkum aattathukku podu thillaale

Kedutha koottathukku thaale thillaale

Izhuthu gate-ah podu udane udane udane.
