Sawer di pehli cup warga tat'ti aa main cheez
Soch ke laavi mooh nahi taa saad dunga jeeb
Pavaa crisp ironed shirt pahme phati hove jean
Tere cute pet warga kutti aa main cheez

Party hard sat night sidha utha sunday noon
Pavaa dhol utte bhangra je hove monday blues
Vekhaan tv utte anime na vekhan gande news
If they leave me alone main v na chedaa kisey nu

Mere yaar mainu kende bro tu kyun ni kuch bolda
You used to be a cool guy but now you acting colder
Tainu kaada guroor? Why the chip on your shoulder
But i am the same guy maybe a little older

Main ni koi gangster na throw karaa g sign
Main haan thoda prankster throw karaa peace sign
Apni life da master main flow karaa freestyle
I shoot what i feel taanhi ammo karaa waste nai

Jaan de ne lokki hun i am livin' that famous life
Ud'da ni zyada cause i know this game is tight
Mann da ni haar cause i keep the fire flamin' high
Ae sword haigi double edged akho mainu samurai

X na y main fly poora a to zee
Ek na do i aim for infinity
Main karda oh jo kainda mera dil ni
I go with the flow bohta karada main think nai

Hai khez bala tez phurr ho jaye in a blink
Rabb rakhe dil saaf hath dhon layi hai sink

Hai pyaar dedaa'n jaan davaa odad'n main do f*** nai

Kar mehnat laake jaan, ghat lod paini luck di
