

When i walk through the door
They keep on sayin
Brawl on a row
They keep on prayin
Gimme some more...im insane
Suck it although like u think
Aint u care about it..
I like to do what i determinate but..
U evaluate i dont give f*ck
Ini mini mini mo..my dreams had..let them go
I'll make it super flow..
So put that middle up n lets gooo !!

Paigaam yeee...le jao tum
Aur kehdo puri duniya se
Roke na hum ye karwaa...
Katil hai ye samaa...
Mujko na kuch pataa

When the people say loud...whatcha say
When the people say loud...what u do
Dont give a damn...juss give a f*ck
We livin thug keep your middle fingers up
Keep your middle fingers up
Keep your middle fingers up
Keep your middle fingers up....

So u hate me...huh huh huh
Look at ur back waitchin mee
Watchin mah soul...watchin my life
Life aint gud when brain meets the knife
Cut it into pieces and break their rules
Assasinate their souls n kick their ass
We gonna spread u...we gonna fly too

Homiws by my side...shut your mouth
Its my time place to make doneeight proud

Its your boi caprian i cant stop nowww
Meri zindagi sangeet bhari
Josh hai bhara azmaa to sahi
I fly like a bird...respect to the game
Make some f*ckn noise
With your fingers upp...damn

Paigaam yeee...le jao tum
Aur kehdo puri duniya se
Roke na hum ye karwaa...
Katil hai ye samaa...
Mujko na kuch pataa

When the people say loud...whatcha say
When the people say loud...what u do
Dont give a damn...juss give a f*ck
We livin thug keep your middle fingers up
Keep your middle fingers up
Keep your middle fingers up
Keep your middle fingers up

Put your middle finger...
Put your middle fingers up
Put your middle finger...
Put your middle fingers up

Paigaam yeee...le jao tum
Aur kehdo puri duniya se
Roke na hum ye karwaa...
Katil hai ye samaa...
Mujko na kuch pataa

When the people say loud...whatcha say
