

The way you move it's like a movie,  
You should be up on that screen,  
But baby you don't even know it,  
That's the reason you're a queen,

Mere town vich jinniyan vi kudiyan ne,  
Saariyan chon sohni lagdi,  
Teri akh di tan gal hi ki karan,  
Ae tan saareyan nu jandi thugdi,

Utton pauni ae tu kapde ni jehde,  
Pure town vich agg launde ne, haan..  
Das karti ae ki pure shehar vich,  
Teri hi hawa ae wagdi,

Munda leya patt ni,  
Tu model'an ton ghat ni,  
Ni shehar vich charcha ae teri har than,

Kal teri cover te photo jau lag ni,  
Main firda milan tainu wajjan maarda,

Ooh yeah,  
The way you move it's like a movie,  
You should be up on that screen,  
I know you got hollywood callin',  
But you're here chillin' with me,

Yo,  
If you're giving me signs i'm receiving,  
I know that you'd be the girl for all seasons,  
But don't be comin' till under it's freezin',  
No girl is fly to milan for the weekend,

Aaja baby ik vaari we can land it up,  
Hamari kahani could be beautiful give me a shot,  
Don't even worry about the chakkar we can keep it hash,  
You made me \*\*\* cause i'm in love,

Meri tu gal sunn ni,

Tera jo attitude ni,  
Mainu lauga lutt ni,

Kinna tu time layengi,  
Mere hi kol aayengi,  
Mainu hubby banayengi,

Jehda tera nakhra ae,  
Saareyan ton wakhra ae,  
Raas nu pagal je hi karta,

Kal teri cover te photo jau lag ni,  
Main firda milan tainu wajjan maarda.
