

Milate hee unape dil aa gaya,
Teere nazar se ghayal huaa
Milate hee unape dil aa gaya,
Teere nazar se ghayal huaa
Main deewana main deewana
Deewana deewana huaa
Milte hee unape dil
Aa gaya teere nazar se ghayal huaz

Unka chand asa mukhada kyaa
Kehna unke mathe kee bindiya kya kehna
Unka chand asa mukhada kyaa
Kehna unke mathe kee bindiya kya kehna
Unakee katil adaye kya kehna
Unakee mast nigahe kya kehna
Jab woh aa gaye toh nur aa gaya
Na jaane yeh mujhko kya ho gaya
Main deewana, main deewana
Deewana deewana hua
Milte hee unape dil
Aa gaya teere nazar se ghayal huaz

Unakee chal woh sau sau balkhayee

Unakee julfon se badal sharmaye
Woh hothon pe aaise muskaye
Woh tarsaye dil ko tadpaye
Woh jhonka hawa ka mastana
Unakee aankhen chhalakta paimana
Main deewana, main deewana
Deewana deewana huaa
Milte hee unape dil aa gaya
Teere nazar se ghayal huaa
Main deewana, main deewana
Deewana deewana huaa.
